CHINEE INFLATABLE INC.
SPECIAL INFLATABLE PRODUCTS, MADE IN CHINA

DO OUR BEST FOR YOUR TRUST

只要给我们机会, 我们就能做得更好。

Established in 1998, Chinee Inflatables Inc is China's leading and largest manufacturer of inflatable products. The company is located in the centre of Guangzhou, with a production base situated in the Fangcun Dongsha Economic & High-tech Zone. Chinee Inflatables Inc proudly boasts a large team of R&D, manufacturing, and professional customer service, offering the advantage of professional design for customers and accept customization in any quantity.

● Company Overview:

Our company covers an area of over 42,000 square meters, with nearly 30,000 square meters of production workshops and approximately 300 employees. We have advanced equipment, including more than 140 high-frequency machines ranging from 4K to 100K, over 100 double-needle sewing machines, 800 meters of screen printing tables, automatic cutting machines, and mechanical printing machines. Our products strictly adhere to ISO quality management systems and meet the latest international standards such as EU EN71, EN14960

NON-PHTHALATES, and US ASTM-F963, CPSIA. Our products are exported to more than 100 countries and regions, including Europe, America, Asia and Oceania. Our clients include globally renowned theme parks and amusement parks such as Disney, Universal Studios, Atlantis, Chimelong, Happy Valley, and Wanda Group.

We are committed to creating products and service levels that are highly competitive in the market. Our quality requirements exceed industry manufacturing standards, and we continuously strive to position our products higher through pragmatic and innovative approaches, focusing on safety, stability, and durability. By deeply exploring product features and customer needs, utilizing advanced technologies such as safety analysis management systems, dynamic simulations, load and finite element analysis, we proactively address potential safety hazards, creating a safe and enjoyable gaming experience for operators and customers. We offer unique personalized design and customization to create a perfect world of amusement. Our goal is to create value for customers, focusing on safety, cost-effectiveness, and creativity, ensuring that customers' ideas and needs are perfectly reflected and meeting all their expectations for our products.

● All our products meet high certification and testing standards, such as CE/EN14960/EN71/ASTM/CSA/AS and GB quality standards. Each product undergoes rigorous safety testing and video recording before leaving the factory.

● We take the safety requirements and regulations of the inflatable entertainment industry seriously. Regarding environmental protection, we pay great attention to vinyl and its chemical components; therefore, we only use lead-free materials that meet the safety standards of Europe and other countries. Our digital printing inks comply with SGS testing and printing industry standards.

● We pride ourselves on our strong design capabilities, with skilled 3D computer technicians, graphic designers, and pattern makers backed and master craftsmen who together create thousands of beautiful products.
